# MVP Health Care

## Our Mission

Improve health. Provide peace of mind.

MVP Health Care remains dedicated to our most fundamental promise...to ensure that our members will have access to quality health care and that their health care needs will be met.

## Our Vision

Creating healthier communities.

MVP Health Care, through innovation and collaboration, will create healthier communities.

## Our Purpose

Finding a better way to help you achieve your best health and well-being through innovation.

Our specialty is discovering and satisfying unmet customer needs

Our core values help us get there.
